2017 Kenney Pinot noir

The Vintage

The 2017 growing season began with record-breaking rain, our weather station recorded a total of 58 inches of rain from October 1, 2016 through April 1 of 2017. Bud break occurred slightly later than average on April 27 and was followed by steady early growth and cool temperatures

The vineyard began to bloom in mid June and late summer temperatures increased the degree day accumulations to a total of 2450.

Select Pinot noir blocks were harvested across the vineyard under blue skies October 4, 2017

This combination of Dijon 114 and Wadenswil selections was entirely barrel fermented in French oak sourced from the Billon, Sirugue, and Cadus cooperages with emphasis on the Tronçais and Allier forests. Total elevate was ten months with 25% new French oak. Bottling occurred August 27, 2018 with final alcohol of 14.1%.
