

FAIRSING VINEYARD 2017 FAIRSING VINEYARD PINOT NOIR

VINTAGE

The 2017 growing season began with record-breaking rain, our weather station recorded a total of 58 inches of rain from October 1, 2016 through April 1 of 2017.

Bud break occurred slightly later than average on April 27 and was followed by steady early growth and cool temperatures.

The vineyard began to bloom in mid June and late summer temperatures increased the degree day accumulations to a total of 2450.

Select Pinot noir blocks were harvested across the vineyard under blue skies October 4, 2017.

This combination of Pommard, Wadenswil, and Dijon 114 selections barrel fermented in French oak sourced from the Billon, Sirugue, and Cadus cooperages with emphasis on the Tronçais and Allier forests. Elevage was ten months in 18% new French oak.
