

## FAIRSING VINEYARD 2018 FAIRSING VINEYARD PINOT NOIR

### VINTAGE

*The early months of the 2018 growing season were mild and drier than normal, followed by a cool and wet March. Bud break began in mid-April with warm temperatures that accelerated growth.*

*We observed bloom in mid-June with véraison mid-August and the summer continued as one of the driest in recent history.*

*September cooled down nicely which allowed the sugars and acids to hold steady while the flavors developed to their full potential.*

*Our early fall weather was ideal with rain waiting until October providing a prolonged harvest window. We harvested select Pommard, Wadenswil, Dijon 777, Dijon 115, and Dijon 114 blocks September 28, 2018 under blue skies.*

*This wine was barrel fermented with total elevage of 10 months in 23% new French oak.*
