

## FAIRSING VINEYARD 2018 KENNEY PINOT NOIR

### VINTAGE

*The early months of the 2018 growing season were mild and drier than normal, followed by a cool and wet March. Bud break began in mid-April with warm temperatures that accelerated growth.*

*We observed bloom in mid-June with véraison mid-August and the summer continued as one of the driest in recent history.*

*September cooled down nicely which allowed the sugars and acids to hold steady while the flavors developed to their full potential.*

*Our early fall weather was ideal with rain waiting until October providing a prolonged harvest window. We harvested our select Dijon 114 and Pommard blocks September 19, 2018 under blue skies.*

*This wine was barrel fermented in French oak sourced from the Billon, Sirugue, and Cadus cooperages with emphasis on the Tronçais and Allier forests. Total élevage was ten months with 28% new French oak.*
