

FAIRSING VINEYARD 2019 KENNEY PINOT NOIR

VINTAGE

The 2019 growing season was the coolest since 2011 and, after multiple warm years, was very welcome. The season began with a mild January followed by freezing temperatures in February.

Bud break was observed the last week of April and bloom was pushed by a two-day heat spike in mid June.

We experienced periodic rain all summer, with over two inches of rain in early September. Following the September rain, temperatures cooled allowing sugar and acid levels to stabilize and flavors to fully develop before harvest. Harvest of select Pinot noir blocks began under blue skies September 26.

This combination of Dijon 114 and Pommard selections was barrel fermented in French oak barrels twice and thrice-filled from a variety of coopers with an emphasis on Allier, Tronçais, Nevers, and Vosges forests.

Total elevage was ten months with 28% new French oak with a final alcohol of 13.2%.
