

## FAIRSING VINEYARD 2021 DARDIS PINOT NOIR

### VINTAGE

*The 2021 growing season was 8% warmer than normal, however temperatures in the critical months of fruit development and ripening were normal to slightly below average.*

*Although the Willamette Valley experienced record-breaking heat in late June, we received rain just prior to the heat event which hydrated the vines and prevented damage.*

*Budbreak occurred in the third week of April and bloom began on June 4. Veraison was observed on August 12 with harvest for our Dardis Pinot noir on September 9.*

*After 100 days of drought, a welcome and rejuvenating rain arrived September 18, one day after harvest of the full vineyard was complete.*

*Total elevage for this combination of Dijon 115 and Dijon 114 was ten months in 30% new French oak to an alcohol of 14.0%.*

### WINEMAKER

*With over 40 years of viticulture and winemaking knowledge, Robert Brittan's extensive experience ensures Fairsing Vineyard wines reflect the abundant beauty and complexity of the estate.*

### VINEYARD

*Fairsing Vineyard is managed sustainably in Oregon's Yamhill-Carlton American Viticulture Area (AVA) with 38 acres of Pinot noir and five acres of Chardonnay in production.*

*The vineyard is nestled within a one hundred-acre Certified Family Forest and is distinguished by its biodiversity, varied topography, and panoramic views of the Northern Willamette Valley.*
