

FAIRSING VINEYARD 2021 DARDIS PINOT NOIR

VINTAGE

The 2021 growing season was 8% warmer than normal, however temperatures in the critical months of fruit development and ripening were normal to slightly below average.

Although the Willamette Valley experienced record-breaking heat in late June, we received rain just prior to the heat event which hydrated the vines and prevented damage.

Budbreak occurred in the third week of April and bloom began on June 4. Veraison was observed on August 12 with harvest for our Dardis Pinot noir on September 9.

After 100 days of drought, a welcome and rejuvenating rain arrived September 18, one day after harvest of the full vineyard was complete.

Total elevage for this combination of Dijon 115 and Dijon 114 was ten months in 30% new French oak to an alcohol of 14.0%.
