FAIRSING VINEYARD
2024 FAIRSING VINEYARD PINOT NOIR

VINTAGE

What a fantastic growing year. After repeated seasons of notable weather surprises, it was rewarding to experience a beautiful and easy growing year.

2024 started with an abundance of rain January through March which gave our soils a good reserve. Bud break began in the Chardonnay blocks April 10 with the Pinot noir blocks following in late April. Bloom occurred June 21.

Throughout the summer, we experienced no days over 100 degrees. August temperatures were 85% of the 15-year average and September's temperatures were average. Thus, flavors in the grapes developed fully before harvest in late September.

This compilation of Wadenswil, Pommard, Dijon 115, and Dijon 114 was barrel fermented 10 months in 18% new French oak.

The wine was bottled on August 21, 2025 with a final alcohol of 13.8%.

WINEMAKER

With over 40 years of viticulture and winemaking knowledge, Robert Brittan's extensive experience ensures Fairsing Vineyard wines reflect the abundant beauty and complexity of the estate.

VINEYARD

Fairsing Vineyard is managed sustainably in Oregon's Yamhill- Carlton American Viticulture Area (AVA) with 38 acres of Pinot noir and five acres of Chardonnay in production.

The vineyard is nestled within a one hundred-acre Certified Family Forest and distinguished by its biodiversity, varied topography, and panoramic views of the Northern Willamette Valley.
